

## Aschoff Solar Company News

July 2013

### Aschoff Solar on Facebook

Aschoff Solar published its own page on Facebook, to use the effect of the most important platform of social media and greets all visitors for watching pictures about projects, events, exhibitions and last but not least the team, that is behind of all the company's activities.

Getting latest informations and milestones of course are parts of the page as well and the exchange of thoughts and ideas is very welcome.
