Power from the Sun  
- easy and high-performance

# Aschoff Solar

Aschoff Solar is a German System Supplier for Solar Solutions. The Aschoff Solar Systems are developed in the industry for the industry, combining the advantages of the European and international Solar Technology. German Engineering and a long term experience in Solar Technology and Plant Engineering ensure high performance, reliability and outstanding short pay-back periods.

- Save money for energy
- Reduce your CO<sub>2</sub> emissions and your carbon footprint
- Get an independent power supply

## Aschoff Solar Power Systems

- High-efficient module technology
- Low costs by standardization
- Flexible and reliable by modular structure
- Less maintenance by quality components
- Professional online monitoring

## POWER MODULES

Depending on the local solar conditions of irradiation, Aschoff Solar will choose the suitable module technology for the application. Polycrystalline modules are the best solution for locations with perfect irradiation and orientation at best price/performance ratio. For all applications, Aschoff Solar will provide modules from leading German and international manufacturers.

- At least 10 years product warranty
- Performance guarantee over 25 years
- Thin film or crystalline technology

# SUPPORT STRUCTURE

- Specialized aluminum profiles
- Customized inclination, to ensure maximum efficiency
- Solar fasteners from Germany for all kind of roof structures
- Individual roof fixing solutions

Flat Roof

On Ground

Pitch Roof

Carport

# AC CONNECTION UNIT

- Highest technology level based on German Standards
- Plug and Play - ready for connection / operation
- Assembled and Tested in Germany
- Only devices from leading European manufacturers
- High efficient inverters from Germany
- Grid and system protection

# POWER SCREEN MODULE

- Yield analysis locally and via Internet
- Monitoring and optimising of consumption
- Smartphone and web app for online, easy monitoring
- Allows preventive maintenance via our Service Center
- System error notification by e-mail or SMS

# Why Aschoff Solar

- Engineering and design in Germany
- Quality components
- Flexible solutions for self-consumption or feed-in solutions
- Installation by experienced teams
